

OPPORTUNITY TO CONTRIBUTE TO THE SOCIAL SECTOR

Dhwani Foundation's Updeshak Fellowship programme enables experts and professionals, especially those in senior positions in corporates, to join grassroots nonprofits as Board Members.

Fellows get an opportunity to get involved deeply with the NGO and strengthen it to deliver better services to local communities. Board members get an opportunity to interact with beneficiaries, understand their challenges and contribute to solving their problems.

29 top notch corporate professionals and consultants are already working with 24 community nonprofits across Karnataka. Dhwani is now looking for Board Members for 30 more grassroots NGOs across Karnataka.

If you are passionate about making a difference, and ready to volunteer 1-2 days a month over the next two years, this is for you.
